LETTER FROM THE PRESIDENT

Coomera Cutters Rugby League Club is a proud, community-driven rugby league club based in Coomera for more than 13 years, our club has been a cornerstone of the local community, providing a safe, inclusive, and family-focused environment that promotes healthy, active lifestyles and strong values through rugby league.

Having served as Vice President in 2024 & 2025 and now stepping into the role of President for the 2026 season, I am proud of the strong leadership group across our executive, committee, coaches, and volunteers. With a clear vision, defined goals, and a unified direction, the club is entering an exciting phase of growth and opportunity.

Coomera Cutters is one of the fastest-growing rugby league clubs in the region and currently the fourth-largest junior rugby league club in Queensland. This growth reflects the strength of our programs, the commitment of our volunteers, and the support of our local families and partners.

We share strong values centred on integrity, honesty, and genuine passion for our community. These values shape our culture and guide everything we do—on and off the field. We are committed to creating positive outcomes for our players, families, and partners while continuing to build a sustainable and successful club.

We would welcome the opportunity to partner with your business for the 2026 season. Aligning with Coomera Cutters provides meaningful exposure within a rapidly growing community, while supporting a family-focused organisation that delivers real community impact. We believe strong partnerships play a vital role in achieving our vision and look forward to exploring how we can work together.

Kindest regards,
Joe Smith
President
Coomera Cutters Junior Rugby League Club
